About This Game

A Game About is a short, lo-fi (!), slice-of-life (!!), experimental (!!!) piece that recreates the crushing weight of living through the simplest routine. It's also a comedy point & click game.

Playtime should be around ten minutes. Tears - that may or may not be happy tears - should happen around the eight minutes and a half mark. I guarantee* at least two (2) good chuckles from playing the game.

Features:

- Free
- No IAPs
- Absolutely free
- Beautiful hand-drawn graphics
- Branching Path Story
- Achievements!

*Not an actual guarantee.
